**Terms:**

- Applicant should be home when water service is established or restored. Applicant assumes all responsibility for any open outlets resulting in water loss or damage.
- Applicant contractually agrees to pay all water charges until applicant notifies the District and requests to terminate service to this residence.
- Applicant hereby agrees to abide by all Rules, Regulations and Policies established by the District and any hereafter established, and further understands the District reserves the right to discontinue water service without further notice for non-compliance. Applicant acknowledges receipt of the District's Customer Handbook. \_\_\_\_\_
- The undersigned agrees that in the event any part of the water system constructed, expanded, modified, or repaired after January 1, 1989, is found to contain materials that are not "lead-free" the District shall have the right to remove the water meter and sever the service line at the above stated property. The definition of "lead-free" as used herein shall be defined in the Rules and Regulations of the Missouri Department of Natural Resources as it now exists or may be redefined.
- Applicant agrees to provide District Easement on above mentioned property for repair and/or construction of underground water utility in accordance with RSMO. 247.050.
- Applicant agrees to abide by MO DNR 10 CSR 60-Backflow Prevention.
